# President's Message

Nurcan Yalcin

As we bid farewell to yet another fruitful year, my heart swells with pride as I reflect on the remarkable achievements of 2025. In the face of various obstacles, it has been our unwavering resilience and steadfast determination that have propelled substantial growth in construction projects across Tri-State Area.

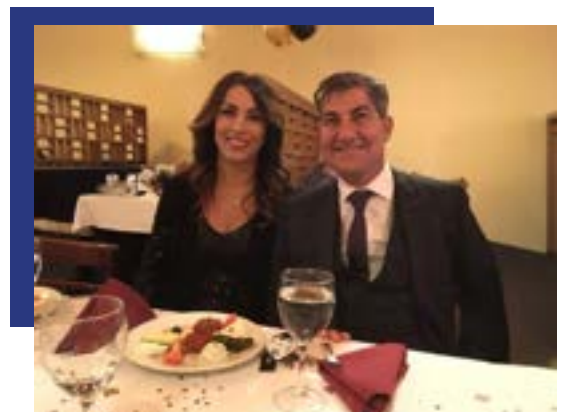

The boundless creativity and unwavering dedication of our team members have set YALCIN INC. apart as a true regional leader in multi-unit residential projects' kitchen and vanity cabinets and countertops' installations. The combined efforts of Countertop-Cabinet-Steel departments, have not only driven us towards our shared objectives but have also instilled within us a sense of confidence that this positive momentum will propel us into the promising horizon of 2030s and beyond.

We extend our heartfelt gratitude to each one of our customers for their tireless works and diligent project efforts. Their hard work and dedication have been the cornerstones of our success, and we look forward to embarking on this exciting journey with you all.

Warm regards,

Nurcan Yalcin,

Nurcan Yalcin, MBA  
President, Yalcin Inc.

25 years of excellence

# Who We Are

**With 25 years** of experience in the construction industry, Yalcin Inc. DBA Springfield Marble & Granite is one of the largest executioners of countertop-cabinet-vanity installation projects, on the East Coast.

**Bilgehan Yalcin** began this journey in 2001, laying the foundation for what would become a lasting and meaningful endeavor. In 2003, **Nur Yalcin** joined as a partner, bringing new energy and a shared vision to help shape its future. Bilgehan, fondly known as Bill, remained a guiding force until his passing in 2023, leaving behind a legacy of dedication, compassion, and impact.

We provide Builders, Developers, General Contractors, Architects and Kitchen & Bath dealers with the largest selection of quality and affordable QUARTZ, Granite, Marble countertops, in addition to kitchen cabinets, vanities, creative designs and custom craftsmanship.

Proudly serving for prestigious companies like Van Metre Homes, WSC Construction, Carrington Homes, James G. Davis Construction, Paradigm Contractors, Harvey-Cleary Builders, Bozzuto Construction Company, Avalon Construction, Forrester Construction, McCullough Construction, Wolf Construction and many others; we are a minority & women owned local small business, building a top-notch reputation in the industry through fast turnarounds, competitive pricing, a superior inventory, and our status as one of the few providers in the area that are fully insured, licensed, certified, and bonded.

## Our Vision

At Yalcin Inc., our vision is to be the premier subcontractor in the Tri-State Area, renowned for our outstanding craftsmanship and customer service in kitchen and bathroom cabinetry and countertop installations. We aim to enhance every space we touch, creating beautiful, functional environments that elevate our clients' homes and businesses.

## Our Mission

Yalcin Inc. is committed to delivering high-quality installation services for kitchen and bathroom cabinets and countertops that meet the diverse needs of builders, developers, and general contractors. Our mission includes:

Providing expert craftsmanship that reflects the highest standards of quality.

Partnering closely with clients to ensure their vision is realized through meticulous attention to detail.

Upholding integrity and transparency in all our business relationships.

Utilizing innovative techniques and materials that enhance the durability and aesthetics of our installations.

Promoting sustainability through responsible sourcing and waste reduction in our projects.

## Our Values

# Estimating & Project Management

Estimating and Project Management Departments are the cornerstones of our company’s visibility as a brand.

Comprising 18 dedicated professionals, these teams excel in crafting and executing comprehensive estimating, bidding and project management campaigns across various digital platforms.

They are responsible for developing cabinets’-countertops’ designs, takeoffs, submitting accurate estimates, preparing shop drawings, and managing day to day site operations. Their efforts are crucial in enhancing our market presence and achieving significant business growth.

# Multi-Unit Residential Cabinet & Countertop Projects

Yalcin Inc., doing business as Springfield Marble & Granite, has been a dedicated service provider for major development companies, builders, and general contractors in the Tristate area (VA-MD-DC) since 2001. We specialize in the seamless installation of kitchen and bathroom cabinets and countertops.

At Yalcin Inc., we pride ourselves on our unwavering commitment to work ethics and compliance with all federal and state regulations. Our team adheres to industry standards and best practices, ensuring that every project is executed safely and efficiently. We prioritize the well-being of our employees and clients alike by implementing rigorous safety protocols and ongoing training programs. This commitment to excellence and compliance not only protects our workforce but also assures our clients that their projects are in capable hands, promoting trust and integrity in every endeavor.

Licensed, certified, and insured, Yalcin Inc. has successfully completed a number of cabinet and countertop installation projects for multi-unit residential apartment complexes, serving many valuable clients since our start. Our dedication to quality and customer satisfaction is reflected in each project, reinforcing our reputation as a trusted partner in the industry.

## Excellence in Craftsmanship with a Commitment to Sustainability

Yalcin Inc. DBA Springfield Marble and Granite distinguishes itself in the stone industry through its commitment to quality, sustainability, and organizational excellence. Our expansive stone shop is equipped with state-of-the-art technology, including CNC machines, water jets, and polishing equipment, all operated by a highly skilled team with years of experience. This advanced setup not only allows us to execute precision work but also enhances our capability to handle large-scale projects while maintaining an organized and efficient workflow.

One of our core values is environmental social governance. Unlike many of our competitors, we prioritize eco-friendly practices by recycling processed water rather than discharging it into county pipelines. This conscious effort is part of our broader commitment to sustainability, which resonates in every facet of our operations. With two fully operational industrial cranes, we streamline the loading and unloading of stone slabs and countertops, ensuring that resources are utilized efficiently and safely.

# Commitment to Quality and Safety

Our installation teams are thoughtfully structured for optimal effectiveness. With dedicated three-man teams for stone installation and six-to-eight-man units for cabinet installation, we are mobile and equipped with essential tools like table saws and portable drills, allowing us to tackle both planned and spontaneous tasks seamlessly. The use of efficient estimating and project management tools enables us to meticulously manage our operations with a blend of precision and flexibility.

At Yalcin Inc., our commitment to safety and operational excellence is reinforced by a comprehensive suite of programs designed to protect our team and ensure a high standard of service. Our Warehouse Air Quality Control Program focuses on maintaining a safe and healthy working environment, while the Health Illness Prevention Program proactively addresses potential health risks. Additionally, our Drug and Alcohol Program establishes clear guidelines to promote a safe workplace free from substance abuse. The Health and Safety Management Program implements best practices for all our operations, ensuring compliance with safety regulations.

To safeguard our employees from respiratory hazards, our Silica Prevention and Protection Program is strictly enforced. We also have an Emergency Action Plan in place to effectively respond to unforeseen incidents. Our dedication to continuous improvement is evident through 54 different toolbox meetings, aimed at reinforcing our operational safety protocols. Moreover, we prioritize safe vehicle operations through our Company Vehicle Fleet Operation Policy and Accident Prevention Program. All these initiatives are managed by PMP-certified project managers, who possess 10 to 30-hour OSHA certificates, as well as CPR and First Aid trainings, underscoring our unwavering commitment to safety and professionalism in every project we undertake.

# Looking Ahead

As we conclude this introduction to Yalcin Inc. DBA Springfield Marble and Granite, we want to reinforce our unwavering commitment to excellence, innovation, and sustainability. We take immense pride in our craft and the highly skilled team that brings your visions to life. Our state-of-the-art facilities and eco-friendly practices reflect not only our dedication to quality but also our responsibility towards the environment and community.

At Yalcin Inc., we understand that every project is unique, and we approach each one with the utmost care, precision, and professionalism. Our comprehensive safety and management programs are designed not just to meet regulatory standards but to exceed them, ensuring that every member of our team works in a safe and supportive environment.

Thank you for considering Yalcin Inc. for your marble and granite needs. We look forward to collaborating with you to transform your ideas into stunning realities, forging lasting partnerships built on trust, quality, and innovation. Together, let's create exceptional spaces that reflect your style and values.
